1 Letter no. 1439/33-34 dt 8.11.33 from the Rev. Comr, forwarding the Shimoga D.C's recommendation to grant 1/2 the proceeds realised by sale of Sites to the V.P. Anavatti in S no. 58 of Anavatti village, Sorab Taluq.

The amount realised by the sale is Rs 15

The D.C. recommends that 1/2 of the amount be given over to the V.P for expenditure incurred by them in laying out of Sites etc.

The Rev. Comr states that as per rules the whole amount has to be credited to Govt, but adds that it would be hard not to reimburse the V.P to the extent it has spent and proposes that an amount approximate to the expenditure be given over to V.P and the balance be credited to Govt

Subd It is for orders whether the R.C's recommendation in para 3 of his letter, which seems to be equitable though not in strict conformity with the rules may not be agreed to. The V.P has perhaps to be reimbursed the outlay incurred in effecting the improvements which have led to the realisation of this favourable Site value.

No. R.S.-9

Grant of half the proceeds realised by the sale of sites in Gomal S.No.58 of Anavatti village, Sorab taluk to the Village Panchayet re-

SIR,

In forwarding herewith a copy of letter No.AD.Acqn.132/28-29 dated 21st October 1933, received from the Deputy Commissioner, Shimoga District regarding the above subject, I have the honour to state that an extent of 5 acres 7 guntas of land out of Gomal S.No.58 of Anavatti village was appropriated for village extension and the lay out of the sites etc., was entrusted to the Village Panchayet who have realised a sum of Rs 1060/- by the sale of the sites to private individuals. The amount is held in deposit by the Village Panchayet and has to be credited to Land Revenue. But the Village Panchayet has represented that they have spent a considerable sum in laying out the sites, construction of decent roads etc., and in attending to various sanitary needs of the locality till now, and that therefore they may be permitted to appropriate the entire amount.

2. In agreeing with the local officers the Deputy Commissioner has recommended that the village Panchayet may be given a moiety of the sale proceeds, the other half being credited to Land Revenue.

3. Under the Rules the entire sale proceeds of vacant sites should be credited to Government, but if as stated by the local officers the Panchayet has spent any amount in laying out the sites etc., it would be hard, not to reimburse the Village Panchayet to this extent I propose therefore that the Panchayet may be allowed to

keep an amount approximately equal to the expenditure incurred by them and credit the balance to Government. If the Government approve of the proposal, the Deputy Commissioner will be requested to ascertain the amount and take necessary action

4. The records bearing on the subject are herewith forwarded for reference.

I have the honour to be,

Sir,

Your most obedient servant,

Revenue Commissioner.

GENERAL SECRETARY, 14 JULY 1933

Levy of lighting tax by the Aralalu Village Panchayet in Kankanhalli Taluk - Re -

---

SIR,

I have the honour to state that the Deputy Commissioner, Bangalore District, has reported in his letter No.C.2-(a) 937/32-33 dated 17th/18th May 1933 (copy enclosed) that the Aralalu Village Panchayet in Kankanhalli Taluk proposes to provide six electric lights for street lighting in the village, and this proposal costs the Village Panchayet Rs.93/- per annum. The present income of the Village Panchayet is stated to be Rs.182/- per annum, and is not considered adequate to meet the normal requirements of the Village Panchayet as well as the additional expenditure on electric lighting. With a view therefore to augment its income, the Village Panchayet has resolved, after observing the prescribed formalities, to levy, under Section 37 of the Village Panchayet Regulation an optional tax of annas two on every rupee of the compulsory tax now being levied by the Village Panchayet. It is calculated that by this additional levy a sum of Rs.22-12-0 will be realised. In these circumstances, the Deputy Commissioner recommends sanction to the proposal of the Village Panchayet. Sanction of Government may therefore be kindly obtained to the levy of the optional tax as proposed by the Deputy Commissioner.

2. The enclosures received with the Deputy Commissioner's letter accompany for reference.
